5 Design studio Sybille de Margerie's Infinity rug for **Chevalier Edition** echoes classic Japanese straw work. Made of 70 percent silk and 30 percent wool, a range of formats and colors are available. CHEVALIER-EDITION.COM

6 Having fitness and energy in mind, **Shaw Hospitality** introduces Active, a tufted collection that is customizable in scale in more than 280 solution-dyed colors. SHAWHOSPITALITY.COM

7 **Kasthall's** Field rug nods to nature and includes five color options that are structured with three threads. An ecru string base sets the tone and is woven in with the other colors. KASTHALL.COM

8 **Nanimarquina** launches Mía, a collection of standard custom rugs created by users through a web-based tool, which allows them to choose the specific size, color, and finish, including dashed stitching and traditional macramé, vertical, or embroidered fringes. NANIMARQUINA.COM
